Back2Raw is a raw food manufacturer out of Ontario that offers high quality raw food at a very reasonable price point. They are usually offered at boutique pet stores and places like Homes Alive (NOT Petsmart or any of the bigger box stores!) Use the link to find a retailer by you. They sell in bulk as well.

FOOD FOR PETS, *naturally.*

Find a retailer:

Big Country Raw is a raw food manufacturer out of Smithville, Ontario. They offer 18lb and even 30lb bulk boxes and many different protein choices. As above, they are offered at the Pet Speciality stores.

There is no other pet supplement company we trust more. Many on the market are over-priced and low quality. Four Leaf Rover is cost effective and top tier. <https://fourleafrover.com/collections/all>

If you prefer to make your own food, this Meat Mixer makes it so easy and ensures the diet is balanced (avoid deficiencies that are in many home-made diets). Just add ground meat and serve raw or cook! You can freeze in portions as well.
